- REACH Declaration of Conformity
- ROHS Declaration of Conformity

To Whom It May Concern; we inform you of the following:

REACH Declaration of Conformity:

Our suppliers carried out the necessary pre-registrations in each individual case.

The list of high-risk substances published by the European Chemicals Agency (eChA) is published on the SVHC list (list of the world's most important high-risk chemical substances"), which requires complete information to be provided to the customer in order to achieve a sufficient level of safety and safe use.

Based on our current state of knowledge, we assume that our products do NOT contain substances that are on the candidate list.

Within the framework of the REACH regulation EG 1907/2006, we, as downstream users, have the corresponding chain of custody of our suppliers.

ROHS Declaration of Conformity:

:

We also inform you that according to our current state of knowledge and also on the basis of information provided by our suppliers, all our products comply with the relevant RoHS directives..

Sincerely

3DLAC
