### Statement of Compliance

Add North 3D AB (trading as add:north) hereby confirms that the composition of the above-listed products, as well as all ingredients used in their manufacture, complies with the requirements of the RoHS Directive 2011/65/EU, as amended by Directive (EU) 2015/863 and subsequent amendments, including Directive (EU) 2024/232 and the July 11 2023 Annex IV amendments.

- Cadmium and its compounds
- Hexavalent chromium compounds
- Mercury and its compounds
- Lead and its compounds
- Polybrominated diphenyl ethers (PBDEs)
- Polybrominated biphenyls (PBBs)
- Bis(2-ethylhexyl) phthalate (DEHP)
- Butyl benzyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)

As the presence of these substances is not expected to exceed the applicable threshold limits under standard conditions of use, Add North 3D AB does not perform routine testing for their presence or absence in the delivered product. Such substances may, however, be present as trace impurities in the raw materials used.

This Statement of Compliance is issued in good faith, based on our current knowledge and information provided by our suppliers. It supersedes all previous compliance statements related to these materials and remains valid until further revision. This statement applies solely to the material as supplied from Add North 3D AB's facility and does not cover any additives, pigments, or other substances introduced by the purchaser or any third party after delivery.

Nils Åsheim  
CEO Add North 3D AB (add:north)

#### Disclaimer

*This statement is based on information provided by third parties and on our current understanding of the requirements of the RoHS Directive 2011/65/EU, as amended, as applicable on the date of publication of this statement. In the event such third-party information is incomplete or inaccurate, Add North 3D AB assumes no responsibility or liability in terms of completeness, correctness, accuracy, or reliability. This statement may be revised if new or updated information becomes available. Add North 3D AB assumes no liability whatsoever in respect to the end application, conditions of use, articles which may be produced from the above-mentioned products, or any consequence thereof. The manufacturer of any article produced using the above-mentioned products is solely responsible for verifying the content, properties, and regulatory compliance in the country or region where such articles are manufactured, imported, or sold.*
